Sir,

Sub: Education - Fisheries Elementary School, Kodi - Additional Teacher - Employment of - Proposals Submitted

- - - - -

The Fisheries Elementary School at Kodi in South Kanara district is a permanent school with a total strength of 81 pupils on its rools at present as shown below:

Standards	Strength. April '52	May '52	June '52	July '52,
I	21	21	21	21
II	20	20	20	20
III	11	11	19	19
IV	11	11	9	9
V	5	5	12	12
	68	68	81	81

The staff sanctioned to this School is 2 Higher Elementary Grade teachers. This staff is now found inadequate to run the school efficiently. The Deputy Inspector of Schools remarked on 20-11-51 that an additional teacher is necessary for the School. The Headmaster is now handling standards III, IV, and V and the Asst. Teacher standards I and II. The two teachers cannot be expected to do full justice to their work with so many pupils on their hands. It is therefore desirable to appoint an additional teacher of the Higher Elementary Grade and redistribute the standards as follows:

Headmaster	III and V
1st Assistant	II and IV
2nd Assistant	I

I therefore request that sanction of Government may kindly be obtained for appointing an additional teacher of Higher Elementary Grade on Rs.30-1-50 per mensem, for a period of one year from the date of employment in Kodi Fisheries Elementary School in South Kanara district at an early date. The financial implications of the proposals are furnished below. Necessary funds will be provided for meeting the expenditure by reappropriation in the course of the year.
